

May 16th Library Meeting

Motion to approve 5 x 7 plaque

--Jan moved

--Lorrie seconded

motion approved

Narcan policy discussion:

Discussed staff training as an option in case of an emergency.

Also discussed CPR training for staff.

The template for the policy needs to be edited to be specific to the Cobleigh.

Cindy will amend this and bring it to the next meeting.

Edie Bell-Brown, past president of Friends of the Library, left her property to the library. Cindy was presented with a certificate from the House of Representatives that we would like to have framed.

Cindy will get an estimate for the framing.

Book Mobile appeal:

David Martin will write the appeal. The Lyndon Truck Center has donated another tire for the Book Mobile. Lorrie suggested having the Lyndon Town School afterschool students write thank you notes for the Lyndon Truck Center.

Librarian's report:

Concern over the increase in the copier costs—jumped from \$32 to \$50 per month.

No one has been yet hired to fill the Friday librarian position—possibly looking for 2 part-time Americorps positions.

Treasurer's report:

Jan discussed the need to get new signature cards for the accounts for the new officers.

Joe is open to coming and discussing the Edward Jones investments if ever we wanted him to come.

Jessica moved to accept report. Hilary seconded it.

Ajourned at 6:49pm. Hilary moved. Jan seconded.

Send to Cindy & trustees in five business days.
